PERSONAL AND CONFIDENTIAL

Dear Mr. O'Hara:

Thank you for your recent letter regarding registration in the Boy Scouts of America.

As you know, because of your past association with Scouting, the Boy Scouts of America is primarily concerned with inculcating its objectives of character development and citizenship training in the lives of youth.

In keeping with these objectives, the Scouting organization has always reserved the prerogative of accepting applications from those individuals it feels are best qualified to give the kind of leadership that this organization wishes for boys enrolled in the Scouting program.

Occasionally, the Boy Scouts of America decides that, in its best judgment, it is unwilling to accept an application to commission an individual for a leadership role. Whenever it makes this determination, it gives no reasons for this action and this is never intended as a criticism or accusation of any type.

On behalf of the Boy Scouts of America, I regret to advise you that at the present time we are unwilling to accept your registration as a leader of boys in the Scouting program.

Sincerely,

Howard Boyd, Director
Registration and Fulfillment Service

Dear Skipper:

I am enclosing a photostat of letter received the other day by me.

This man, Michael O'Hara, Scoutmaster of Troop 115, Hewlett, Long Island, New York should be put on the Red Flag List.

A meeting was held with Reverend [REDACTED] Reverend Dolan who is the pastor of his church, and Reverend John Henry who has charge of all the Catholic Youth Activities in the diocese here. They had a long meeting with him and as a result he was asked to resign from his position as Scoutmaster. He also happens to be a teacher in the Catholic Schools and he will be up before their Board of Education this week and a determination made by the Catholic Church.

No action is being brought through courts as it is all being handled by the church.

Any other information you need, please let me know and I will send it to you.

Dear Sir:

Yesterday, I spoke via telephone with [REDACTED] concerning a very unfortunate incident at the Boy Scout Camp. [REDACTED] said he would mention the incident to you for immediate action. I would like to reconfirm this with my own personal letter. Since we feel it is better for the boy to remain anonymous, I have taken it into my own hand to register the complaint instead of his Father.

During a conversation which the boy's Father was having with the youngster concerning the facts of life, the boy revealed that at camp last week, the scout leader who was in charge of his group, someone by the name of Michael O'Hara, invited the youngster to his quarters one evening. He told the boy that he was conducting a study and then proceeded to show the boy copies of "playboy" Magazine, asking him what he thought of it. Then he proceeded to touch the boy impurely and invited the boy to do the same to him. The boy was so stunned that he didn't quite know what to do. He declined the leaders suggestion and left the quarters of this man. Mr. O'Hara impressed upon him the need for secrecy concerning this happening.

This incident happened once, and will certainly happen again unless this man is taken out of his scouting capacity. Who knows how many times this has happened before and how many youngsters, being frightened about what happened and not knowing how to tell another adult about it due to the shame, etc. connected with it, have been badly influenced by this man.

I know that you will act accordingly in this matter to protect our youth. If there is anything that I can do to help you please do not hesitate to call on me. I feel that it would be best for the youngster concerned if this were not brought to his attention again by asking him any more questions.

Respectfully yours,
[REDACTED]

*I would prefer this
matter handled with
great discretion so that only
Mr. O'Hara & yourself would know
it has happened.*
